Dedication

I am dedicating this book to millions of people who want to get close to Jesus, but do not know how! So they give up and go back into the world.

And to my father who introduced me to Jesus and God!

And my Wife, Beverly, who stood beside me wherever my heart led me

And to Jesus, who led my way and many times carried me!

1 John 14:6 Jesus said "I am the way and the truth and the life. No one comes to the Father except through me

Where are we going? To find a place where you can find Jesus! To a Church that teaches the word of Jesus! Or from someone who knows Jesus well and introduces you! You do that by first staying with the Word of Jesus! A Pastor has many jobs, but the main one is, reading the Word of Jesus to you and telling you how that relates to your life!

To show how the Devil can fool you, I was on a camping trip with another Pastor, it was Sunday and he wanted to go to the Church down the road. I told him I drove by yesterday. They had a sign out front! Pastor Wilson has a Traditional Service at 9 o'clock and a New Wave Service at 11 o'clock! The Pastor, I was with said good he was going. I said I would meet him on the beach! I said I did not want to hear a man who preached two different Jesus'!

So there are many types of Churches out there to choose from, so keep seeking and you will find one for you!. I was looking for a personal relation with Jesus; I was looking for the Jesus my father

told me about as a child. I was born in the Great Depression of the 30s and my father worked seven days a week for \$19 dollars a week in the basement of a large theater. He came to work at 8am in the morning and left at 12pm midnight. He worked alone, his job was to keep the air conditioning running and do maintenance on the seats and other parts of the theater. He did all of this alone. And they did not mind if he took me to work with him. So I spent many hours with my father. He told me about Jesus and His Father God. He said that Jesus was like my brother and He loved me, and God was Jesus' Father and He loved Jesus and God loved me, because I was Jesus's friend. He told me many stories about them and I loved them, also! My father was the finest man I ever knew and I loved him dearly! I also saw hours of 30's and early 40's movies. I liked them also, my early life was wonderful!!

CHAPTER 1

Ferd Sebastian's Life with Jesus!

How Close To Jesus Do You Want To Get?

This is for people who really
want to get close to Jesus!

We Will Learn To Walk and Talk Like Jesus!

Romans 12:1 I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

Is that what you desire for your life? Or do you want to have one foot in Heaven and the other in Hell? And that is what so many of us do? We want to fit in with most people in this world. Have you looked around and noticed something, the world is going to Hell at break neck speed!

Roman 12-2 So be not conformed to this world: but be you transformed by the renewing of your mind, that you may prove what is that good and acceptable, and perfect, will of God.

How do we do that? By thinking before we speak! I think many of us use curse words all the time. I think now to fit in with the group

we happen to be with or out of frustration! We want to say something jarring and then I think it becomes a habit! Think a minute; would any of us talk to Jesus, like that? I do not think so. How can we present our bodies a living sacrifice, holy, acceptable unto God and have gutter language?

When Jesus, got mad!!! He tore ungodly things up. Jesus and the Money Changers (John 2:13-16) So he made a whip out of cords, and drove all from the temple courts, both sheep and cattle; he scattered the coins of the money changers and overturned their tables. 16 To those who sold doves he said, "Get these out of here! Stop turning my Father's house into a market!" That is mad with no bad words!

Proverbs 18:21 Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.

Roman 12-2 So be not conformed to this world: but be you transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect, will of God.

Matthew 12:36 But I tell you that everyone will have to give account on the day of judgment for every empty word they have spoken.....That was said before Jesus died for our sins and forgave us, but why would we want to displease Him with our speech? When it is so easy to just think before we speak!

Roman 12-2 So be not conformed to this world: but be you transformed by the renewing of your mind, that you may prove what is the good, and acceptable, and perfect, will of God.

I believe that as you go through life you will be dealing with mostly non-Christians and I think they will see something different about you and they will like it and ask you. "Why do you stand out!" You can tell them, "It is Jesus, would you like for me to introduce you?"

CHAPTER 2

Ferd & Jesus!

I knew about Jesus as a child but I left Him behind! I jumped into the world and tried to eat it with a spoon. I was not a bad person, but I was very worldly! I lived that way until my heart gave out at 55 years old and the Doctor gave me 10 days to live.

Then I went to tell my wife and **an Angel got in the car with me and told me, Jesus was the answer!** When I told my wife and son, Ben who was working with us, we prayed the world's simplest prayer, **Jesus Please Heal Me!** I was instantly healed!

I was under contract to make a movie for Paramount at that time. So we started in production, but I told my wife this will be our last film, after this I am going to work for Jesus!

I never even thought of going to a Seminary school, I just started talking to Jesus! (This is your first step just talk to Him,. But you say He is not there! He will be shortly!) I told Jesus that I wanted him to show me how to heal people. After He healed my heart I knew that is what I wanted to do. So I started talking to Jesus (just like He was beside me and He started answering me. Instructing me and guiding me. He also gave me Bible verses to back me up by His word! The NIV version was the closest to what He was telling me.

How did I hear Him! Sometimes, like He was standing in the room with me. Especially if I was doing something wrong! He would correct me and I would remember it! But most of the time

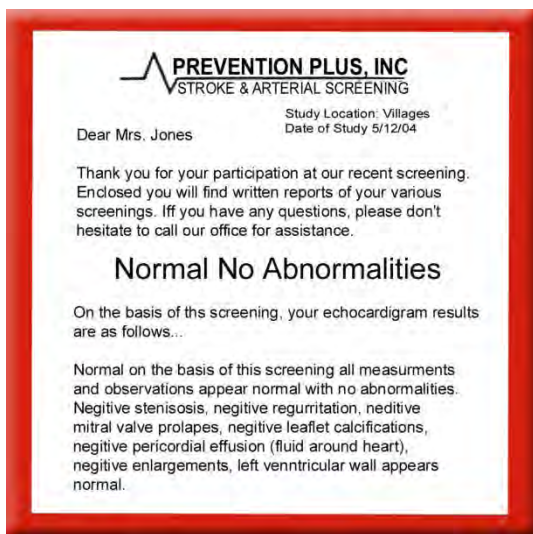

it was like my spirit talking to my brain. Of course now I know my spirit is joined with Jesus' Holy Spirit! I learned that along the way!

1st John 2:27 But the anointing that you received from him abides in you, and you have no need that anyone should teach you. But as his anointing teaches you about everything, and is true, and is no lie just as it has taught you, abide in him. (Even in a Church, make sure what you hear lines up with the Word of God!)

Jesus now sent me three people one right after the other. 1) A Black Woman with a deformed heart. It was barely pumping and she was lined up for a heart transplant. Jesus was with me and guided what I said. She went to get her transplant but she was perfectly healed and she gave me a wonderful testimony!

#2 A boy about 25 with a wife and a young child. He had terminal brain cancer with about 2 weeks to live! It was very large he had an X-Ray of it. Jesus and I spent about an hour with them. They lived in Orlando and they were leaving the next day to go to New York to spend his last days with his mom and dad. His parents took him to a NY Doctor to see if he could do anything? They X Rayed his brain there to see how fast it was growing. The boy called me from NY, it was gone! Thank you Jesus.

#3 A woman and her husband came to my house. She had a diseased heart. Jesus told me how to fix her She wanted to testify at her Church. They would not do it unless she had a lab report on her healing. She got her report, she gave me a copy of it. Her heart was perfect.

The Church still would not let her testify. So they moved to Texas and found a new Church.

I could of stopped right there. I knew the words of Jesus, to heal people. Jesus' words will heal people if you believe them! So if you show people the right words and get people to believe them, they are healed! Mark 11:23 and 24 there are the words! But there is a higher calling for you if you desire it.

So I had graduated from Junior High. But I was not satisfied yet!

So Jesus sent me to the University!

We were having three people over for the evening. One was Emilie, a woman we just hired that day as a bookkeeper. We invited her to come eat with us. After supper she said lets sing some songs, so for some reason we all stood up and got in a circle. She started singing "What a Friend we have in Jesus!" My dad's favorite hymn, I sang the first verse and then I was gone! I was somewhere else!

I was sitting on a flat stone beside a brook in a lovely meadow. About 12 feet away from me is my father and great grandmother, smiling down at me. They both looked in their prime and wore clothes like I had seen them wear many times be-

fore. Then I looked to my left and Jesus was walking up to me. He had on a brown robe with a hood and a white cord around His waist! He did not need an introduction, you knew who He was! This was the first time I had physically seen Him!

Jesus, walked over to me and looked down at me! His face was so brilliant it was hard to make out His features. Then it became a solid beam of light and it was wrapping around me. It was Jesus's Spirit wrapping around me. Then He lifted me up and held me in His arms. Such peace and love, I could have stayed there forever. Then in a swish Jesus' Spirit was sucked into my body and I was back in my living room.

Emilie, ask me where I had been and I told her. She said the Jesus in me salutes the Jesus in you. We never saw Emilie again, she was not in the office the next day and the Employment Agency we got her from had never heard of her. She was an Angel!

What had happened to me I felt different.... I sensed from Jesus that I needed to read the Book of Acts so I did slowly twice. I was used to getting these feelings as that is how Jesus taught me things.

Acts 1-8 But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem and throughout the world! Acts 2-4 ⁴ All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.

So I ask Jesus, is this what you gave me? If so I want it!!!! I then started speaking in tongues like I thought I would never stop. I use this several times a day, I really could not do the work that I do without it! It was with the Power Gift!

Here is the first time I used the new me. I have a Pastor that lives across the river from me, he knows that I am interested in healing and that is about it. He had a friend in a Hospital in Orlando with a serious heart condition would I please go see him. I said I would and I got his name and left.

When I got up to his room a nurse said I had to wait in the hall until they finished a procedure. So I waited, for close to an hour I waited! I then went in and introduced myself to Andrew and started telling him about Jesus. My standard things that Jesus had taught me to say, only this time I did not feel the presence of Jesus... Then the door opened and a man and woman came in to visit Andrew. Andrew introduced us. I said I am just going to pray for Andrew and then I will be leaving and you all can visit. So they sat down.

I asked Andrew, what do you do for a living? He said I'm a Pastor.. Oh, well you know everything I am going to tell you so I will just pray for you and leave you with your guest! He said NO! I want to hear it all! So I told him how to receive his healing. Then I took his hand.

As I took Andrew's hand a weight fell over me, it felt like I was wearing a bearskin coat! And in a new voice, I commanded in the name of God and Jesus I Command his heart to be healed! I look into Andrew's eyes and he is crying and a tear comes to my eye as I tell Andrew that I love him and not to worry about his heart anymore. He Is Healed!

I left Andrew and went down and just sat in my car. I played my visit with Andrew over and over. I never had a feeling like that! I was joined with GOD! So I studied and found out what happened!

John 14:12 12 Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

(Oh my God, Jesus, what did you give me?)

A few weeks later Andrew calls me on the phone and said he was totally healed and would I like to hear him preach? He was coming to preach in their Homosassa Church. I told him I would love too and got the time and date from him. When I went to the Church, Andrew was at the front door. Hugged me, took me in and took me down to the 3rd row and sat me

in the ale seat. Then he went up on the Pulpit and everyone settled down.

Andrew started to preach.." A few weeks ago I was in the Hospital at deaths door. I would never preach again and I knew it. Then a man I had never seen before came in and sat beside my bed, and held my hand.... and I felt the power of God going through my body, he told me he loved me and I loved him and I knew I was healed. Then he left. I had a couple who had come to visit me, they were sitting on the other side of the room, just watching us. The man had an ulcerated stomach and had not worked for six months! He felt something too. He has checked with his Doctor and he is perfectly healed..... Now I ask you...Who is this man? The congregation shouted out, JESUS! Andrew shouted back, YOU ARE RIGHT! He is here on the third row, stand up Ferd!"

That was the way that Jesus thanked me. That was my Graduation Certificate! So He now can use me to operate on earth! There are thousands of us around the earth..... It must be driving the devil nuts!

**SO DO NOT THINK I AM SPECIAL! I HAVE JUST
LEARNED TO DO WHAT JESUS HAS TAUGHT ME TO
DO
AND I ENJOY DOING IT!**

CHAPTER 3

Getting to know Jesus and becoming useful to Him!

Starting 2Jesus.org!

If you look over Chapter 2 you can see I was at first talking to myself. I had not spoken to Him since I was a child! Then He started talking back to me.... Am I that great? Are you? No! But the word is! Let's look at our Word! The tongue has the power of life and death, and those who love it will eat its fruit. Proverbs 18:21.

God created us in His image, how does God Make Anything! He Speaks It! He said, Let there be light and there was. Jesus says, Lazarus, Rise and he comes out of the tomb. I said, Jesus please heal me, and I was healed! Life or death are what we speak every day! You sniff and you tell people you are getting a cold, soon you have a cold! You could have said, Cold out of my body in the name of Jesus and it is gone and you go on about your business. If you pay attention to what you are saying you will start hearing how much trash you are speaking! This trash clogs up your communication line to Jesus!

Now you have learned a lot! Probably more than most Pastors unless you are in a Pentecostal Church. So you can stop here and be ahead of 90% of the Christians walking around! Or you can proceed with my life with Jesus and how He keeps showing me ways to help other people. It is a glorious ride watching and learning from Jesus, with Him all things are possible!

I knew I needed a website to attract people. So I got a web master, Jeff and he made me a nice site. So I asked Jeff, what is the largest Search Engine? He said, Yahoo! (Google was not born yet) I said fine get me right up on it. He looked at me and smiled, he said Ferd, it is not that easy, He pulled out a drawer in his desk that was full of letters. He said Ferd, I have been trying to get all of these customers in for months. Yahoo has to check everyone out and go to their site and see that they are for real. There are hundreds of thousands of people around the world trying to get on Yahoo. It just takes months! I said Jeff, are there any smaller search engines? He said, yes a few and I can get on those. I said fine, get me on those and I will take care of Yahoo. He smiled at me and said fine. *(I know he was thinking, this is what I do for a living and you are going to get on.. ha ha)*

So I went home and got on my computer. I pulled up Yahoo and looked on the bottom of several pages. Each page had a web address on the bottom with these words. If you want to enter a site on Yahoo click here: Yahoo.com, so I clicked it and a page came up to fill out. My site name and URL, what categories do I want to be in. So I put in about three. Than it said, Enter! So I put my hand on the button and said a prayer. I said, "Jesus please get this to the right person so we can get our site up." Then I pushed the button.

The next morning there was a letter from Yahoo! It said, Welcome to Yahoo, I looked at your site, looks good, you are now up and running, Adam. I went right over to Jeff's office, went in and said, we're up on Yahoo! I filled out the form and we are up! He said no Ferd, you filled out the form and now it will be months. I have a letter that said I am up, please check it. Jeff, turned to his computer, got Yahoo and typed in 2jesus. There we were on the top of the list! Jeff, called everyone in the office over and said look! Ferd is on Yahoo!

When I got back home I got Adam's letter out and hit return. I wrote Thank You Adam for getting 2Jesus up so quickly. God Bless You! About an hour later I got a email back from Yahoo. We checked out 2Jesus and you are up and running, my name is Charlie, we do not have an Adam working for us... So I said, "Thank You Jesus, Adam did a good job! We are now in business!" So people started coming 2jesus.org.

CHAPTER 4

We Can Now Go Around The World!

With 2jesus we pray for people all over the world, how do I service people around the world? *Matthew 8-5 When Jesus had entered Capernaum; a centurion came to him, asking for help. "Lord," he said, "my servant lies at home paralyzed, suffering terribly." Jesus said to him, "Shall I come and heal him?" The centurion replied, "Lord, I do not deserve to have you come under my roof. But just say the word. For I myself am a man under authority, with soldiers under me. I tell this one, 'Go,' and he goes; and that one, 'Come,' and he comes. I say to my servant, 'Do this,' and he does it." When Jesus heard this, he was amazed and said to those following him, "Truly I tell you, I have not found anyone in Israel with such great faith. Jesus sends the Holy Spirit...So I will ask Jesus to send His Holy Spirit to my people!*

Suzann's Mom,

A 55 year old woman was given 4 months to live.

Suzann's mom, came 2jesus by phone; She had cancer in all major organs! She was also filled with hate and bitterness, which I could not get out. I told her she must forgive. She said that she could not and would not forgive! She hated her husband and always would.

He divorced her after three years and left her with Suzann. She would always hate him. I use Mark 11:24 as my standby to get people healed.

Mark 11:24 Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

If you can believe it, you can receive it!!!! Now look what happens in Mark 25 ²⁵ And when you stand praying, if you hold anything against anyone, forgive them, so that your Father in heaven may forgive you your sins.”

That told me that this woman had to forgive to be healed. And she would not forgive! So I will not judge people that is for Jesus to do, but in my heart I said, “this woman is not going to make it..” But I prayed with her anyway....

This letter came 2jesus, from the daughter....

Hi Ferd! My mom’s doctor called her case a miracle!!!!!! She wants to know where in Florida you are and so does the doctor. They want to come down there to where you are and give a testimony. Thank you Ferd!

The doctor doesn’t quite understand how this could happen with my mother, but I am letting him know, and my mom is letting him know, It’s God!! My mother was literally raised up from death. As you know the cancer was all over her body.. But the Doctor found none. It was gone. My mom is really on fire for the Lord now, and BELIEVES on Him. She could barely talk when she came out of the operation and I had asked her if she had heard the good report, and she just pointed to the sky, and said, “It’s God”....

I know you are just a man, but she really believes that you had a big part in this. She is a different woman. Actually the other day she called my dad to thank him for doing something or other. She would have never have done that before, I don’t hear any malice from her about him, or bitterness. That is a miracle in itself.

With all of our love forever

Suzann and mom

2Jesus: I had thought that she would not be healed, but I prayed anyway. Never stop doing the best you can because you never know when Jesus will take control and also heal her soul as well as her body.

Chinese Girl

Now this will be a first time for me... I am going to ask Jesus to do something for me. Not the Holy Spirit but Jesus... Asking Jesus to go Himself. I would not ask Him except I knew He would enjoy it. Plus He had done it before in John 8:1-11

Nothing To Offer But My Sinful Heart

From Stella, in China

Stella, came 2Jesus, scared to death! She had done something very wrong, she would not tell me what but it was bad. Stella, said that everyone who had done this has gone to prison.

She said in two days, she would have to turn herself in. Then they would take her before the Judge and she would be sentenced. She said, Pastor I am so afraid... I know that I will not be able to stand.

2Jesus: My wife gets on me sometimes for the thing that I tell people. But Jesus said ask and you will receive! So here is what I told, Stella.

Stella, you go to the Court and do not be afraid. Jesus, will be beside you to hold you up. You will not fall. On each side of the Judge there will be a large Angel. When the Judge asks you what you did... You tell him the truth, also tell him that you are sorry and will never do it again.

2Jesus: Stella, wrote me back a week later!

Praise the Lord my GOD, I have been saved by my LORD JESUS, thank you Lord. My name is Stella and I send my prayer recently to 2jesus.org and I am saved by the LORD MY GOD.

My court hearing took place on the 30th May. I was discharged. FREE! I am so Happy that words cannot say how to thank Jesus, for coming to the court with me with his two Angels.

Brother Ferd, thank you so much brother for the prayer and I will always pray for my sisters and brothers on 2Jesus. My case was so serious that I was charged under section 129 and I knew only a miracle could help me. Now I know my JESUS loves all his children. I asked for my LORD's forgiveness for giving my LORD so much sadness in the way I have lived.

PRAISE THE LORD IN THE HIGHEST. THANK YOU JESUS, FOR MY PRAYER HAS BEEN ANSWERED! THANK YOU, I HAVE NOTHING TO OFFER, BUT MY SINFUL HEART, LORD MY GOD.

Your daughter, Stella

2Jesus: Jesus said, "Whatever you ask in my name, I will do." And Jesus did it! Thank you Jesus! also I saw something else happening! I am getting Closer to Jesus!

I am growing in Christ. What is happening to me? I am developing the mind of Christ; A person comes in with a problem, I quickly see the problem and I know how she should be handled. I did not get smarter. No Jesus is letting me know how to help this person. My prayers are not really prayers anymore, they are commands. I am now speaking in Jesus' power and authority.

Jesus wanted to go to that girl in China, Jesus is still and always will be the healer, but now I am saying His words that He wants said. John 14:12 "Truly, truly, I say to you, whoever

believes in me will also do the works that I do; and greater works than these will he do, because I am going to the Father.

Tomeka

From Africa

I listened to her problem. I spoke to her as I felt in my heart what she needed. Then I prayed like I believe Jesus wanted!.

Here is the answer that came in this morning from Tameka in Africa.

Thank You Pastor Ferd for such a real powerful prayer! I receive and believe it. I am overjoyed. It's a blessing to know that I'm walking this earth knowing someone else out there whom I've never met, though I feel is family, is standing in agreement that I am healed. It is FINISHED!

God bless you always and forever! God is good and I am forever indebted to him. He gave me another chance.

Glory to you Jesus! Tameka

2Jesus: Now my friends, do you see what is happening! I am looking at the woman's problem, through Jesus' eyes. I am feeling her spirit. Do you see what she is feeling? She is feeling my spirit, which is joined with Jesus. She is getting a connection with me, but I know not me. It's Jesus and Me. I am saying words in Christ's love. Then Jesus is praying for her through me. Jesus and I are becoming one! I started years ago and Jesus said, you give them the word, I heal them. He still does but He and I are working together now, much closer as He and I are now one. His thoughts are now mine. I am getting the Mind of Christ!

Indian Lady

A lady from India came 2Jesus

I am Aditi, I get red patches on my face, and then they turn black and crusty. Now they are all over my face. I wear a hood

so no one see. I am too ugly to look at. Many Doctors look and no one can heal. Can Jesus help me?

I prayed with her and bound whatever was on her face and commanded it off, in the name of Jesus.

In two weeks Aditi, wrote me back: My face is as smooth as a baby. Thank you can you tell me about Jesus?

2Jesus: I told her how to be saved and where on the 2Jesus site to learn about Jesus. She was not a Christian when she came in. But she had come to Jesus, expecting.... And Jesus, did not disappoint her. Now she is a Christian and a light to her family in India.

Jesus Now Puts Me To A New Test!

A Wonderful Miracle

Brother Ferd,

Please pray for my husband and me. We had an ultrasound for our second baby yesterday and there is a great possibility of fetal abnormalities.

Thank you, Jett and Valerie

2Jesus: This was the Doctor's way of saying now is the time to abort your child, it could not be normal!.... Here is 2Jesus' answer back.

Dear Jett and Valerie,

Phil 4:6-7 Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your request be made known unto God. 7 And the peace of God which passes all understanding, shall keep your heart and minds through Christ Jesus.

2Jesus: Dear Parents, read the above carefully. We give our worry to God...With thanksgiving. Why thanksgiving? Because God is now in control and we know that He knows how

to fix our problem. Then what will happen? We can rest and be at peace and keep the worry and fear from our minds.

Now let's do our part. Jett, you and your wife put your hand on her stomach. In my spirit I will be there with you, with my hands on your hand. Say this prayer aloud as this child is being wonderfully healed.

Dear Father, we have a problem that only you can handle for us. Jesus said, John 16:23, Verily, I say unto you, whatsoever you ask the Father in my name, He will give it to you. Thank you Jesus! Father we believe Jesus' words. They are in our hearts and on our minds. Father we are asking now in the name of Jesus to have the Holy Spirit touch this child. Make this child perfect. Father after this child is born, let the world see the glory radiating out of this baby, so that the world will know that this is a child of God and it will always be a reminder of the power and love of Jesus Christ for the rest of its life. Father, we praise you and thank you in Jesus precious name. You're loving children, Jett, Valerie and Ferd...Amen.

Jet and Valerie, I do not care what the Doctor, says from this day on, your child will be perfect, so continue to praise God for your perfect baby, by Jesus strips your child is healed. Jesus will bring His glory in every situation. Your brother in Christ, Ferd

2Jesus: Five months later this letter came:

Dear Ferd, I wanted to let you know that on Monday. March 9th our daughter was born. She weighed 8 lbs. and 13 oz. and is 18" long. She is the perfect gift from God. She is a very healthy normal baby girl.

Thank you so much for praying with us during my pregnancy and helping us realize that the only person we ever needed in our lives for guidance was the Lord.

*This is Lorelai DeAnn, at 3yrs old with her family.
"God Bless This Family Who Trusted God!"*

2Jesus: This is the time as a Minister that you have to put on your Big Boy Pants, and truly believe that you are saying the Words of God! There can be no doubt! Because if you are wrong, these parents will be living with a deformed child the rest of their lives! Thank you Jesus, for always standing behind me and Your Words! **PRAISE GOD FOR JESUS CHRIST!**

Do Not Judge People!

When someone comes to you do not judge them. They came to you for help. Again think of Jesus! If He had not lead them to 2Jesus, they would not be there. I honestly believe that Jesus screens the people that come to my site, I have never had a flak!

Daryl and Ray!

A man came into 2Jesus for help. His name was Daryl, he worked in a male strip club in Los Angeles, he said he was sick of it and had to leave! I ask him what talent did he have? He said he thought he was a good musician. I told him to go

to a few big Churches in LA and ask for a job. Within the week Daryl, came back in and had found a job as Music Director and had quit the strip club. Then he tells me of a friend that he has named Ray!

Ray had terminal cancer but he did not have Internet, so Daryl, gave me Ray's phone number. I called Ray, spoke to him for quite a while Then I prayed for him! Ray excepted Christ and went back to the Doctor and wrote me a letter back as a testimony!

Hi Ferd,

Nobody can mistake the Power of Our Lord God!

Over a year ago I was told that I had cancer and would need treatment for it. Now I was told it was Terminal... Incurable... And that the Holidays coming up would be my last.

Then through a friend of mine, Ferd was told about my problem and called me out of a clear blue sky. We talked for the longest time and yet I had never met the man, or ever heard about him before that miracle night. Ferd, asked me if he could pray for my healing, and after talking with him for a while I knew that was what I wanted also.

After we prayed, Ferd said, if I truly believed, then God has healed me. I am here to tell you I truly believe in the Power of Our Lord God... And yes, I am healed.

I went to the Doctors and they informed me I had no sign of Cancer in any of the tests they performed. We must never give up, or stop believing, in the Power of our God and his Son, Jesus Christ.

Sincerely, Ray

Two men saved! One from sin, another from Cancer! Praise God, Thank You Jesus!

CHAPTER 5

Praise for “Jesus Guide to Healing”

We also save lives through our Books!

2Jesus: I delivered our (Jesus and mine) healing book to the Canal Zone. I find with a book many people get healed faster because they can take time and study it. That worked as you will see with Astridah!

Astridah

Thanx a lot brother Ferd, this word has come at just the right time.

Today was a lil dwn low. I was tryna think through why my healing has taken so much time. So when my hubby came back he had travelled out, he noticed I was dwn low I just wanted to b alone.. I was so happy to see him but I couldn't just help but feel the way I did.....but I thank God that he has used you to tell me just the right words ...God bless you and your family...Compliments of the C-zone

Each page I flip is interesting ...am just reading about where u prayed for mike the guy with terminal brain cancer ..then u went to Alaska n while there God told u he had healed him... wow...Our God is so powerful.. right now. I feel lifted up in my

Spirit..”.tho I live in this World the standards or rules of the World dnt apply to me ..I am from above..”

Every sentence has something grt in it now know what kept me all this while from seeing the manifestation was doubt...u put it rightly fear...worry...I would believe brother that am healed even for a whole week all of a sudden as am working in the hospital I see a patient ill, Hiv stage 4 or so and suddenly fear gets a hold of me I begin to think I too will end up like that...or say when handling patient with Tb sometimes I would b convinced its impossible for Tb to get to me while other times I would b so scared to even attend to a patient coz of fear of getting it...

I would have days I would wake up so sad in my spirit n start telling God why dnt u just take me... all these instances show fear and doubt ..I know that’s what’s delayed my healing..

But I praise the living God, my spirit been strengthen, i know how to handle it better, not that I didn’t know then but am more enlightened... Doubt has ears it can listen it’s a spirit....I thank God sir. I am grateful.

Wow amazing. Brother, Ferd u 85? I have learnt a lot of things from you sir and am so grateful...what I’ve learnt no amount of money can buy it...May God bless u and your family ones. May he continue giving u more long n healthy years... what an honor to know people with so much wisdom n faith ..praise God

2Jesus: This report came in about a month later from, Astridah!

Dear Brother,

I am writing to inform u that I went to Dr and ordered HIV test... and I was so Happy... Praise my God, that test was perfect and Neg... I know my God will not put me to shame nor will He b unfaithful to His promises.

I know he loves me and cares for me even though I didn’t keep his commands. But now I know He Is Lord of my life

and I will live a pleasing life to Him, an I will love Him, honor Him an worship Him all the days of my life!

Thanx you Brother, your Sister in Christ

2Jesus: Astridah, was fighting the battle of the mind! Fear and Doubt! The Healing Book had Jesus' Words in it and the word showed her how to defeat, Fear and Doubt! Thank you Jesus!

Pastor Bright in Nigeria, also distributes our books.

Bro. Ferd we received this testimony below and felt the need in sharing it with you! Sister Lilian wrote to me about your book. "Jesus Guide to Divine Healing"

Dear Pastor,

I have to admit that it is on New Year Eve, I opened the Book titled (Jesus Guide to Divine Healing, by: Ferd Sebastian) that you gave me. Before now I left it laying by my bed for many months because I let other things, other desires of mine to get in the way. But this morning of January 2014 I took the time to read this Book and it is so interesting and captivating.

As I read this Book I felt God talking to me. Praise God! I was sitting on the chair with my eyes closed and my head facing up speaking to God thanking Him for everything He has done and asking Him to change me and have me follow Him and I told Him I want to live for Him and only Him and then I just sat here in silence...

And I felt Him! I literally felt God, pushing my head down! My head was down on the book and I just kept speaking to Him.

I knew He was here and confessed my sins and received Jesus, as Lord and Personal Savior with my two young daughters watching and kneeling down as well. I opened my eyes and I felt such joy! So I thank you for putting this book in here for me and thank the one who wrote it. I am going to continue reading.

God bless you and your Ministry, I know the Lord is going to do great things through this book for others who read it as well!

God bless you. Sister Lilian

Okimi Village, Edo State.

Everything that Jesus and I write has something to do with healing but “Living the Ultimate Christian Life” is a little different. It tells how to get the most out of your life. It tells you how to walk hand in hand with Jesus! It shows you what you can do and be in, Christ!

Marsha's Testimony

I want to take the time to say thank you for your book and what you are doing. I read your book once but I had to go back and reread it to allow my spirit to get the full understanding of what you have been telling us.

I took the word you use in the book and prayed for family members and friends that have cancer. I didn't even let them know that I was praying for them. I am getting a report back about one of my cousins. The Drs. can't find the cancer! Gone!.

All of our family and friends are doing a lot better and I will be lifting them up in prayer trusting Jesus all the way.

God bless you and your wife and your seeds. I stand before Jesus to do His will so I will be able to “Live The Ultimate Christian Life.”

In Christ, Marsha

And that is what “Living the Ultimate Christian Life,” is all about!

Another Testimony

“Living the Ultimate Christian Life”

From Shiloh, USA

Dear Pastor Ferd,

I have just finished reading your book. In tears!

I feel like I am happy for the first time in a long time. You said, to not wait as long as you did to find the key to happiness and health, here I am.... **19 years old and have found how to Live the Ultimate Christian Life.**

Before reading this book, I still thanked Jesus every day for my healing... but the devil still tugged at me and sometimes I would have doubt after feeling a symptom. I say now, the symptoms aren't anything but the devil. I am healed. Jesus does not lie. It is in the Bible. **The Bible is the Truth. He shed blood and died for me so that I may be healed. Sickness is from sin. I am forgiven. I am so happy. I haven't felt this way in a long time.**

You simplify things so well in the book and I just couldn't stop reading. I finished in less than 24 hours. Thank you Pastor Ferd, Thank you Jesus!!!! **Pastor Ferd, next time I write you, it will be showing my NEGATIVE RESULTS IN JESUS NAME!!!!**

I am so happy I found 2jesus... what a blessing.... if only people who believe what a Doctor tells them would turn to Jesus and know he has the final say so.... millions of people are told by doctors what's incurable... **Anything is curable by the blood of Jesus. Amen.**

I thank you so so so much for gifting me with the book on **Living the Ultimate Christian Life.** I have to let friends and family members who are sick, know about it!

More Prayers Answered From Reading Jesus Word!

From, Matha

For over 29 years I was nothing but troubled and I wanted nothing to do with GOD. On July 1st 2010, things changed. I accepted JESUS as my Savior. I did not realize how hard it would be to go back out into the world without becoming like the world again.

It took me years to have my eyes opened to the truth. And, this is the truth. If it were not for your web site 2jesus.org, I would have not known the truth and if not for the Pastor, Ferd of this ministry who showed me and explain to me all the materials I had printed out from this web site especially, about your testimony on how you got saved, I have no doubts that I would be dead and in hell today.

Now, the LORD has blessed me beyond any words that I can write. He saved me, He gave me a new life and mended my broken relationship with my parents after many years of separation.

I will FOREVER be thankful to you for your web site.

Dorcas, talked to Jesus, that is what I want everyone to learn to do, Ferd

From: Dorcus

My name Dorcas. My childhood was not a positive one. When I was at my lowest, at age sixteen, I experienced the loving hand of the Lord in a very personal way. I had been very unhappy and depressed, and was at a place where I felt unwanted, worthless, unloved and alone. I started just talking to Jesus, and wept as I told Him I'd thought about suicide, and questioned if I would be allowed into Heaven if I did...

I cried out to Him, At that point I sat up in bed and thought, "I wish someone would just hold me and tell me they love me." I was starved for a gentle, loving touch. **At that moment I literally felt a presence, as if someone was right next to me. I could feel warmth, and I felt safe. I felt the very real weight of an arm wrapped around my shoulder, and I was embraced and held to Him. I heard Him tell me I was loved, and He had wonderful plans for me.**

It was only a matter of days; He brought into my life the boy who would become my best friend, who would tell me every day how beautiful, intelligent and wonderful I am. A boy who would be the man I married almost 26 years ago. **God brought us together to strengthen each other, and to support and love each other through all of life's trials.**

2Jesus: This just tells you, How Much Jesus Loves You! Jesus cares so much for you. He wants only happiness for you. Relax and let Him take over your life... Eternity is not just in the future. We are in it now. Live Forever, with the one who loves you most! "Jesus."

"Lord this is too much for me."

Eamonn, in Ireland

Brother Ferd

I just wanted to send this email to say thanks for the web site. It has helped me through a very difficult time. My Grandmother was diagnosed with cancer 2 months ago. She was told that they could just try to keep her comfortable and that she didn't have long.

She has been a wonderful woman of God her whole life and is now 80 years old. My family have all rallied around her, but all seemed to accept the inevitable. Through your web site I know that anything that we ask the Father in the name of His Son we can consider done. I was reading the story 'The Grocery List' and afterwards took a moment and said to **Jesus, "Lord this is too much for me, life's getting the best of me, you know my needs and I am placing it in your hands."**

To be honest it has been **difficult to trust Him** and I constantly have the devil telling me the worst and trying to discourage me, but I'm putting my trust in Jesus. I'm just repeating over and over again that I am putting it all in His hands.

Yesterday my Grandmother went to the hospital for a scan. Her lung which was collapsed **has now been completely restored. The cancer has reduced.** They can't believe it, but I can because I know that it is in God's hands. **What is impossible for doctors is not impossible for Christ.**

Jesus really is great!! No matter what happens in my life he is in control now and I know it's **going to be a fun ride.** It was through your web site that I found Christ! So I just want you to know how

important the site is. If I had not found 2Jesus.org, I don't know where I'd be now!

Jesus really is great.

Kindest regards Eamonn

2Jesus: It is so great to see Jesus at work on our site! This was my first communication with Eamonn. She found Christ, and prayed for her Grandmother, all on her own. (Well maybe some help from Jesus:-)

Here is Biblically what Eamonn, was doing.

Philippians 4:6-7 6 Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. 7 And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

CHAPTER 6

Behind the Razor Wire!

What you see above is Unconditional Love!

Title

For years Beverly and I have worked in prisons, saving retired Greyhounds and saving forgotten souls. The second Chance at Life Program has saved over 15,000 Greyhounds and hundreds of Inmates.

We have done something that Prison Management at first thought was impossible. The Inmates and the Greyhounds live together in the cell, 24/7. If you know anything about Greyhounds they radiate Unconditional Love. In many cases this is the first time a criminal has ever received Unconditional Love, it is the Inmates' introduction to Jesus, as that is what He is.

We estimate that over 90% of our Inmates are now Born Again. About 60% are Baptized in the Holy Spirit! Our recidivism rate over the last five years is zero! They do not come back! We have hundreds of testimonies as each Inmate keeps a Journal. These Journals are very important, we specially designed them. Each dog's daily record is kept in them, plus the Inmates thoughts and feelings. They were designed to know exactly what the Inmate's experience is and also what is happening to each dog daily.

We have a friend, a Career Educator in Florida, design the Journal with weights, measures, time tables, and written reports on the dog's condition and also on their experience. At the end of a year using these Journals the Inmate will be able to pass a GED test and get a High School Certificate. Beverly and I put in messages from God. These messages are Chapter markers in the Journal.

The Prisons, do not like to encourage outsider to contact the Inmates, so we will use first names only, also not mention the Prison. They will come from different States we have worked in. We try to get to the prisons every six weeks, we check on the dogs and to pray with the Inmates. The Inmates also use a copy of our two books on Jesus. It has been a Great Blessing for us as well as the Inmates.

Letters 2Jesus, Men's Prison

Dear Bev and Ferd,

I just want to drop you a note as I have made it off from parole! God's grace is amazing and is what helped me through this all. I

cannot thank you both enough from the depths of my heart. Before I became a part of the program I really was feeling low on myself. I felt that I am just another prisoner that does not really matter. But thanks to your hard work and love for greyhounds and love for In-mates, has helped me get out of that slump. God has shown me that some of the greatest people in the bible have been in prison or did something wrong. Moses is a great example; he sinned against God more than once and even killed a man. But God in his Grace and love used Moses to lead the Israelites from captivity!

Since coming home I have been going to college and have earned a place on the dean's list all three semesters so far. And I have to thank you all for that. If you had not believed in me I would not be where I am now. I felt that I can accomplish something that matters and that is larger than me. Also since coming home I was baptized and accepted into a loving church family that is able to look past my past and see my potential. I get the greatest joy every Sunday when I volunteer and serve my church in the sound booth and also with the visual aids.

You two and each dog I helped, will always have a special place in my heart as it was such a blessing. I just wanted to let you all know that I am truly grateful for your program. **It has really helped me in getting back to life out here and making me know that I can be valuable again to society.**

In Christ's Love, Jason

Thank You For The Program

Beverly and Ferd, thank you for the dog program,

Every time I got into trouble I would make God a promise. I'd tell him in my prayers if He'd just get me out of this mess I would change my life and go to work for him and never sin again. Well, one night a long time ago God made me a promise. He told me if I didn't keep my word, prison would be my home. Every day on the streets got a little harder than the day before. Pretty soon that other voice in my head would convince me once again that I had nothing to lose if I got caught robbing a place.

There was always something missing in my life. I couldn't stand to be alone. The nights in an empty house were unbearable. I have been married three times to prove it. When they left me it felt like they took a piece of my heart. Even now as I think of them I feel the emptiness. Maybe I needed more love or attention than they could give.

After three failed marriages and five trips to prison it is hard for me to believe there is an ounce of good left in me. How could anyone or anything care for me? I had stopped caring for myself. Even I believed I should have received a harsh sentence. What good have I brought into the world?

Well, there are two things, a son, Jacob and a daughter, Alisha. But how can they ever know I love them? I wish I could blame someone for my shortcomings but the harsh reality of it all is that the separation between us is my fault.

About 4 months ago I wrote these words in my Bible. I think Shakespeare wrote them. I think they mean something different to everyone. Love is strong as death. Because of my bad decisions my children have never gotten to know my love. When weather beaten I come back, my body a sack of bones, broken within....: God help me heal.

This time I'm not asking for a deal. I just told God at lights out when I was all alone that I loved Him. And I asked that He forgive me. All I know is that when I went to sleep I didn't feel so empty or alone. The next day I'd play the part of being a convict. That night I would ask God again for his forgiveness of the sins I committed that day and could I please feel his love so I didn't feel so alone. Again an easy peace would come and I would fall asleep. But I think God saw where I was falling short through the day so he sent in the troops. Four of them, Greyhounds!

We have so much in common with these dogs. They are literally coming off death row and now because of them I feel like I am too. It is the sentence I gave myself a long time ago. The difference between me and the dogs is that they did their best. But when the dogs stop winning they are put to death. This was the norm until this

lady, Beverly Sebastian, came up with the idea of a second chance program.

Our hope for the dogs is that they will someday move in with a family who loves them as much as we do. As bad as I've been, Bingo came to me and with his big gold eyes he let me know he trusted me. I can't think of anyone else that trusted me enough to put their care in my hands. When he rested his head on my leg and looked at me it didn't take words for me. He loved me.

I'm 49 years old and when I'm playing with Bingo and Oscar I act like a kid. The prison fence and razor wire doesn't exist for that moment in time. **My heart is free and I am not alone. It's a God thing.** I'm starting to think there is something left of me to save. The dogs do too. I'm not asking for a break for myself. There is something way bigger that I ask. If you or someone you know needs a true friend or you want to feel unconditional love see if one of these greyhounds might be right for you. As for me I have a promise to keep and the dogs are helping me do it. Ron, Inmate dog handier

Letters 2Jesus, Women's Prison

Dear Beverly and Ferd,

I have been in prison for more than 8 years. In this environment all the time, it is not a way to live. It was hard to find any happiness. But now it has changed. When the Greyhound program came in my world changed. I got this bundle of fur and he loves me and he has changed my world. I am not alone anymore, he is always with me. That sounds funny with all the women in here but I was alone. Now I am not... I look forward to his training, we are training each other. **I am learning how to live again.**

I've also become a Christian, and like Paul I changed my name. I left my street name behind and became Dixie. **I am a new creature in Christ,** and my new dog friend, I told him about Jesus too. And so I also changed his name. He is now Duke! He is leading me back into the world. **I am going to live again.**

Thank you Beverly and Ferd for your love, Dixie

From, Michelle :

To: Ferd and Beverly,

I want to tell you what happened to me. I was just living everyday here and hating it. I got AIDS on the outside and it keeps getting worse, I was going to die here! I was an emotional wreck; I had messed up my life. They put me in the dog program trying to help me get control of myself. I do love the dogs but I was dying and miserable.

Ferd, you and Beverly came in and brought a new load of Greyhounds. Ferd, prayed for some of the girls. I did not go up I've had a hard time believing in God. He told us about a new book he had just written. Dixie, asked if she could have one. Ferd, asked the warden and he said yes, as he had two with him. Well I spoke up and said I want one too. So Ferd said, when he left he would get them out of the car and bring them back in. I did not want that book, I just spoke up because Dixie got one so I should get one too.

Later when I got the book I just put it in my locker and forgot it. About three weeks later a new Inmate came in Kathy Ann, and she had leukemia. Being we were both dying, once a week they would take us together to the Doctor to get shots. Well I took Ferd's book "Jesus Guide to Divine Healing" and gave it to Kathy and said that she might like to read it, I wasn't going too.

She did and our next trip to the Doctors Kathy, was **healed, no leukemia!** When we got back to the Prison, I said, I want my book back! I will tell you, I read that book and **I found Jesus and I was healed also.**

I am now just an all-round better person you know this long sentence, you know I thought I was going to die in here. But it's not like that anymore.. You know **I'm going to live!...And I know that Jesus plays a big part in my life now too. You know without God this program wouldn't be here.**

Thank you, Ferd, Beverly and Jesus!

Love, Michelle

2Jesus: Well this finishes our Razor Wire section and about Michelle, she is back home now with her family and has her life in control! The other Inmates are finishing out their sentences, looking forward to a new life outside!

From Pastor Ferd, to my reader. The Prisoners did as much for me as I did for them. This program was a blessing to me and Beverly and also to every person that we took in with us. They all loved us and I felt great love, agape love for them. I wanted to do something special for them and I asked the Warden if I could bring in a Christian Band and put on a show just for them. The Warden said no, he could not make them special, but I could if I invited the whole Prison. I said fine and we put some signs up to invite all the Inmates.

I found a group of five musicians who played for different churches. We settled on the price and I gave them an advance to pay for the gas to get them to prison. So we were set!

We were to play in the Chapel, but that was filled instantly and a long line was waiting outside. The Warden said that he would turn the rest away. I said can we move to the hanger? He said all right. The hanger was just a huge metal building that they could use in bad weather So we moved the Group and Inmates to the hanger, and we filled it. Probably a thousand people sat down on the floor. Then we started the show!

The music started and the band was great! A thousand girls stood up and raised their hands in the air and was shouting Praise God! Thank you Jesus! The band played for over an hour non stop and then the Warden got on the PA System and said "Back to your dorm in 10 minutes for count!" About half the girls started leaving and the other half rushed down to us. They were saying how great we were and asked us to bless them! We did!

I helped the Band out with their equipment and then went to my car for their money. I handed it to the leader but he held up his hand and said, No! We have played for Churches

all over Florida and never played for an audience like that We
owe you!

CHAPTER 7

A Few Personal Miracles!

Beverly's Miracle!

Beverly and her dog Runner!

In 2014, my wife, Beverly and I were to upper New York staying in a mountain A frame cabin. It was about six feet off of the ground with steep steps going up to the deck. There

was a concrete landing below. Beverly, my wife was going up the steps and as my wife was just reaching the top the railing was loose and she fell backwards and landed on her head and her right shoulder.

Her head and shoulder were under her body. She was not moving. Carol, a Christian friend was with us. She immediately started praying for Beverly.

When I got there we prayed together. It was another few minutes before she tried to get up. With help she did. I personally think she was paralyzed, or her neck was broken and that Carol had interceded for her. Her right arm would not move. The hospital there did not have an MRI. They bound the arm and said to get an MRI when we got home.

Back in Florida, we got the MRI and found that her muscles were torn loose from her shoulder and her tendons were ripped out. She could not move that arm and had not since the accident.

We saw several Doctors; one wanted to try an operation but was not sure how well it would work. We went to another one and he said she needed a shoulder replacement. That would take five years of rehab before she could really use it. My wife was then 79 so she said that she would just trust Jesus.

So we did nothing with the Doctors. We had prayed for it before but trusted in the Doctors. Our girls in our greyhound prison program had heard about Beverly, as we missed their graduation, they all were praying for her also.

When she told the doctors she would just trust Jesus. We changed our way of thinking. That night Beverly was sitting in a chair and I stood over her and put my hands on her shoulders. I prayed in the spirit for her healing. When I took my hands off she got up to thank me and she lifted both arms and hugged me around the neck and said, "thank you." I looked down and said, "Beverly, look where your arms are." They were both around my neck. Thank you Jesus! She was healed!

We had another Doctor that we had made an appointment with a week before. I said, "Let's go." I want him to see this. We went and he looked at Beverly. He said let me see how far you can move your arm. Beverly put it above her head. He felt of it and told her she did not need an operation everything was fine. Of course we knew that but I wanted him to see that, as he was a Muslim and I wanted to testify to him about Jesus. He had seen the MRI and knew how badly her shoulder was damaged. He asked, "How did this happen." We told him that Jesus healed her and he said, "Thank God."

So Beverly, is fine and we have another testimony of Jesus' love. I put this event in to show you how easily we get put back into the natural. If Beverly had not said, "I will trust Dr. Jesus." We would be going through five years of rehab with a man-made shoulder. Thank You Jesus!

The reason this is so important to the reader is that it is so easy to fall back into the natural! This was a lesson to us or Jesus would have healed her when we found her and first prayed for her. It was when she said, I am going to Dr. Jesus. We prayed and Jesus answered! Thank you Jesus!

House Call

Ferd Got A Gift from Jesus!

I had a great day today. A son asked me to go see his 85 year old father who had never accepted Christ. None of his family could even talk to him about Jesus. He would just cuss them out and tell them to leave! I prayed last night for Jesus to touch his heart. I asked God to give me the right words to say.

I saw him this morning, a kindly looking man named Ben. I ask him if I could sit beside him. He nodded yes. I sat and held him against me and cradled his head. We sat like this for probably five minutes, with me just rubbing his head and back. I never said a word. Then I told him I loved him and that Jesus loved him and I came to make sure he was going to Heaven, as Jesus did not want to lose him.

I ask if he wanted me to pray for him, he said he did, so I did. Then I asked if he would like for me to pray with him for his salvation. He did, so we did. We prayed together for his sins to be forgiven and he ask that Jesus save him. He said he believed that Jesus was the Son of God and died for his sins. He wants to be with Jesus forever. He is now my brother.

His son was with us and was amazed that his father even spoke to me. As I left his father gave me a big hug. I told him again I loved him and Jesus loved him. He told me that he loved me also.

His whole family has been trying to get him saved for the last 50 years. It was not me... It was Jesus. I had asked Jesus, last night to take care of the problem and He did. On the way there his son had been preparing me to be yelled at and asked to leave. Never happened, Thank you Jesus.

A Thank You From Walmart!

I was at Walmart at the checkout counter. I noticed a Checker two rows over left her station and started walking over toward us. You do not remember me do you? You came to my Church a few years ago, I came up to you and asked you for prayers. I had cancer! The moment you touched me I felt the Holy Spirit rush through me, I was instantly healed! I said thank you for telling me Sister and opened my arms to her, she stepped in and I hugged her. She stepped back and said "O my God it just went through again!" Thank you Jesus!

Do You Have A Problem?

Ferd did!

There are some things only God can do. And He is glad to do it!-However your brain says, “I can do it!” So you tackle it in the natural, you never think about asking Jesus, the man you work for and follow His every command. No, You can handle this! So you proceed!

I was helping my son in a court battle with the US Government. They froze his money so he had nothing to fight them with. I started using my money to keep him out of Prison. It had been going on for a year. I was going broke. I had been fighting this in the natural.

Walk With Jesus!

I started walking down a beach near my house. Then I shared it with Jesus! I told Jesus I just can't handle this and then started praying in tongues. Then Jesus started speaking to me in English! (I wrote what He told me in my Bible I never wanted to forget it! **JESUS SAID, I WILL PROTECT YOU!... I WILL FIGHT YOUR BATTLE!... HE THAT IS IN YOU IS GREATER THAN HE IN THE WORLD!... I WILL LIFT YOU UP IN MY FATHER'S HOUSE AND SAY,... THIS ONE IS MINE!**

The Lawyer called me two days later and said, The Government had dropped your son's case! They could find he did nothing wrong! How can I ever stop loving my Jesus! Thank You Jesus!

Jesus knew this a year ago when it first happened, but He would not interfere, He wanted me to ask Him to come in. Jesus will not interfere in worldly affairs unless you ask Him too. Jesus is your friend! Ask Him!

CHAPTER 8

You Too Can Heal!

This Chapter will Change Your Life!

OUR BIGGEST LESSON BECOMING A HEALER!

Below is an Important Lesson, if you want to be a Man or Woman of God! You must find out who you are in Christ!

Very few Christians Know Who They Are!

2Jesus: I will tell you a story about a man in Africa. His name is John. He is an Evangelist. He is a man of God. He has saved many people. But never realized who he was in Christ and what he really possessed. John came to 2Jesus with a problem. He had two children that he had taken in. They were very sick. They both needed

an operation to live. John had taken them to the hospital. He gave them all the money that he had. He was still short \$100. Without the extra \$100, they would not operate. He had come 2jesus, for the money.

To send \$100 to save two children seems a small price to pay. I probably should have sent it... However that is not what the Holy Spirit led me to send. I immediately sat down and wrote this letter.

Dear John, Jesus does not want these children to die ... You have the ability to heal them through Christ. You are working for Christ with all of your heart. You have faith in Him. You know the power that is in Him. But do you believe that Jesus has given it to you? Look at these words from Jesus. Please read them and fill your spirit with them. **(Reader, read this carefully, learn this lesson!)**

Mark 11:23-24 For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. **24** Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

John, Jesus is talking to you. Have you ever thought who you are in Christ?

Eph. 2:6, God has raised us up together with Christ. In God's eyes you are seated with Jesus at His right hand. You are in Christ, just as Christ is in you here on earth.

1Cor. 6:17, He that is joined to the Lord is one spirit. You and Jesus could be no closer together. Jesus is not just with you, you are part of each other.**1Cor. 12:27**, Now you are the body of Christ. What does that mean? We Christians here on earth are the body of Christ. He is the Head. The head does the thinking and the leading, and the body carries out the work. So when Jesus wants something done here on earth it is up to us to do it. How could we? Easy, with Jesus' Spirit

joined to ours He is transferring His authority and power to us to do His will. But we must except it and be obedient to His commands.

Matt. 28:20, “And I am always with you. “All power belongs to Jesus and Jesus is always with us. So we have that power in us at all times. (Reader, Look at that, read it again! And again!)

Eph. 3:20, His power is at work in us. His power is not dormant! It is at work. That means we are, or should be using it. How many of us are really using it? Isn’t it time we realized what Jesus has done for us and start doing what He intended. Being His body here on Earth and carrying out the Father’s will.

HOW MUCH POWER IS THAT? Matt. 28:18, Jesus said, “All power is given to me in Heaven and Earth.” Eph. 11:19-20, His power is like He used to raise Jesus. That is the power to raise the dead. That is the power to heal the sick. That is the power to trample the Devil and all evil forces that come against us. That is the power to be the Body of Christ. THAT IS THE POWER OF GOD!

THANK YOU JESUS

WHAT HAS GOD MADE YOU? 1 JOHN 3:1 HOW GREAT IS THE LOVE THE FATHER HAS LAVISHED ON US, THAT WE SHOULD BE CALLED CHILDREN OF GOD! AND THAT IS WHAT WE ARE!

But you can only use a gift that you know you have, and that you accept. And we can only use it through Jesus, because of God’s grace and love for us.

JOHN, IT TOOK ME 12 YR. OF STUDY BEFORE GOD REVELED TO ME WHO I WAS IN CHRIST.

John, (or reader) when you can get those verses down in your spirit you will be able to use the power that Jesus has given you.

Go to that hospital and lay your hands on those children and say, “In the name of Jesus be healed.” and do not doubt, start thanking God for their healing. By the time the doctors gets there they will be asking what happened to them

Thank you Jesus

John, I am not trying to tell you things to be smart, like I am wiser than you. No, you already know these things. But sometimes we get so busy in the natural that we forget (or the devil hides it from us) what Jesus has given us. We cannot do all that He wants from us without the tools that He has given us.

Give it a try. Go pray for these children. I will pray for you and the children on this end. Keep your faith strong. For as you go out to use the power that Jesus has given you the devil will try to steal it from you with doubt. For if he can do that he will have defeated you and you will not be able to stand against him. So always remember. I John 4:4 Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.

Your brother in Christ, Ferd

A week later I got this letter from John...

From John, Dear Brother in Christ,

Greetings and salutation in the marvelous name of our heavenly father, and our Lord Jesus Christ, who suffered for our sins that He might bring us to God. And by Him to be saved. I give thanks to the father for His infinite love and grace He has toward us, may He bless and keep you from evil, may His face shine upon you and peace.

I thank God so much for His victory given us in Christ Jesus and for His healing power of His word that has broken every stronghold in our lives. My visit to the children was blessed; I examine the anointing power of His word as it was proclaimed. I prayed and fasted through the power of the Holy Spirit and the Lord spoke to me so beautifully, He said by His stripe ye have healed, I felt it with gratitude and I rose to the full power of my faith for healing, and I

laid my hand on the children and prayed, I felt and believe it in my heart that the children are going to be healed!

I spoke forth His word and the healing came forth in their body and they were completely healed.

One of the children said that he saw a Great Man, holding his hand and said to him be healed My son, for I am the Lord thy God. After I heard this from the children, I began to give praises and honor, to His Holy name.

The doctors were so surprise to see the manifestation of His healing power to the children, they were again tested by the doctors and it showed that they were alright, healed. From them, the word of God was confirmed; the doctor believed and embraces Jesus, as the Lord of their life.

After sharing Christ with them in the hospital, I promised to come back to them for a visit and come along with the word of God, the Bible, to share with them to build up their faith and knowing more of His perfect revelation to mankind. Thanks be to God, the Healer of our refuge, He said His word, “lift up your eye from the battle to the victory, for Christ is already victor, although we do not see all things under His feet they are there, Heb., 2:8.

I thank you for your marvelous work in the Lord and of your given heart. What a great blessing to them that love God and unto them who are called according to His purpose. Please do try and send us the Bibles, there are more people turning to Christ, that need the word of God to grow in the knowledge of Christ.

We are so grateful to the Lord for His inspiration and His pleasant word that bring faith and comfort and for the healing to the sick. May the Lord bless and reward you abundance for your given heart and of your kind gesture unto His lordship. Thanks again for your love and support to the work of His ministry for everybody to be saved. We love and pray for you continuously.

Yours in His vineyard,

EVANG. JOHN

2Jesus: John the Minister above, works with Jesus every day, but he had never faced a situation like the two children before. So his faith in healing them had to be built up to a point where he believed that it could be done. All of the scriptures that I gave him are just as true for you if, you are born again. That is your position in Christ. If you accept it! And believe it!

We as Born Again believers, have a great advantage in coming to Christ.... We are in the family. It's like hi Dad, I'm in trouble. Your Dad pays attention to you. If you are a Christian, you are in God the Father's family! He listens!

Let's look at what Jesus, told us!

John 14:13-16 And whatsoever you shall ask in my name, that will I do, that the Father may be glorified in the Son. 14 If you shall ask any thing in my name, I will do *it*. If you love me, keep my commandments. 16 And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever; (Who is that Comforter? *(The Holy Spirit!)*)

That is great for us as believers.... How about the people who are not Christians? Can they get help? Let's look at Jesus! He is who we follow. Before Jesus was resurrected, there was not a Born Again Christian on earth. There could not be because He had not paid for our sins and the Holy Spirit had not been sent down to come into our spirits.

But Jesus healed many people while He was here... How did He choose those people? They came to Jesus, expecting! In other words they had faith that something would happen to them, if they could just touch Him, in some way! How did they get that faith? From testimonies of people that Jesus had seen and healed, when they gave their testimonies!

So others heard their testimonies and said, "What about me?" That is what this book "Walking With Jesus" is about! When a reader reads these testimonies, they will say, "What about me? If I can just touch Him!" I pray that many readers will get that touch!

Dear Reader! Christian or Unbeliever! Below is how to reach out and receive!

You want to get healed! It is a Gift! You do not need to fast, pray for hours, or if you are Catholic, you do not need to say 100 Hail Mary's. You do not even need to ask forgiveness, although it will make you feel better in your mind and that is important. That is why I recommend it. If you combine asking forgiveness with asking Jesus to come into your heart, you can be Born Again!

Now here is all you have to do! Just three things:

- 1) Ask for It, in belief!
- 2) Accept it as yours!
- 3) Start thanking God for it!

Here is what you are standing on. Jesus, said this and Jesus does not lie!!! Mark 11:24 Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

This is: Number One Important! You must believe Him!

Ask Him and Believe, that you have received...And thank Him for it! That's simple! You cannot earn Healing. You cannot earn Salvation! Jesus paid for those gifts on the Cross. They are free to a believer. (Also a Non-Christian can come to Christ and receive healing.) I have not seen many Non-Christians, that have received their healing, that are not quickly converted!

Do you remember the woman from India? She got healed first and then she wanted to know about Jesus and was saved!

The last thing that Jesus said on the cross before He died was, "It is finished!"

Jesus, never has to die again... It is finished, forever from now to eternity. Think of Healing and Salvation as a gift and they are, just in a big storehouse in Heaven. When you ask,

Jesus; He just tells the Holy Spirit to give it to you! And it is done! This is called GRACE!

Healing comes in two packages, first is a Miracle. That is instant. Jesus does not promise that to you but He can give it to you. A Miracle usually comes if you will die without it. I have had three and seen many. Remember what happened to Beverly, one prayer, instantly healed!

Second is healing, a healing is just what it says and that is a promise! You can depend on that! He gives it to you and it starts to work in your body. You get healed gradually. But some people get healed much faster than others.... Jesus tells us why!

Matthew 9:29 Then he touched their eyes, saying, "According to your faith be it done to you." So you see little faith will take longer than great faith...

That is why some people take forever to heal and during that long healing period they give up and say, "Well it was not for me!" At that moment their healing stopped, because their faith stopped! That is what happens to many that remain sick.

I said earlier you can ask forgiveness it makes you feel better, and I think you should, but as a believer you are already forgiven! (This is for Born Again Christians.)

Let us look at that a minute. When you came to Christ, you got Born Again. You became, A New Creature in Christ. Let's see who got Born Again? Who are you? God is a Spirit... God made you in His image... So what is the real you? It is your spirit. What became a new creature? Your body? No it is the same as before! Your Mind or Soul? No, it will change but only gradually, as you learn to live in Christ. So the only thing that was reborn was your spirit.

So now let us look at what God looks at. When God looks at you, He only looks at your spirit. Because that is the real you! What does he see? He sees His Son and your spirit joined together. And to Him that makes you perfect!!!!

No matter what your mind and body does after salvation, your spirit was cleaned and it cannot ever sin again. Because Jesus, cleansed it and His Spirit moved in with yours! To say that your spirit sinned is to say that Jesus did not do a good job. His death was for nothing.

So you say I am saved, now I can do anything!!!! I can sin! That is true, but there are two reasons you will not.

1) Your spirit will tell your brain that you have been bad and you have to stop doing what you have been doing. (You know how that feels!)(that is when you need to ask forgiveness, to clean up your mind.)

2) If you just cast that warning aside, the world will kill you. Yes you are saved and go to Heaven....But you cast out the warning that your spirit was telling you... So you lost your protection and the STD, Cancer or whatever, will run its course and kill you, So you will die and go to Heaven, but you could have had a glorious life here.... Sad!

Special Note: If there is any doubt in your mind that you are not saved! Go to the end of this book and make sure you have Salvation!

Dear Reader, I hope this has been a blessing to you. That is how easy it is, however you may have to fight battles of Unbelief and Doubt. If you do you can get “Our New App on 2Jesus.org and Jesus and I will take you step by step on how to get your demons out of your life and receive, Christ’s Love! That is on 2jesus.org, and that is free!

CHAPTER 9

A Paraplegic Man Holding Onto A Colum!

Plus Ferd Goes To Heaven Again!

Beverly and I were just finishing breakfast at a neighborhood café when she looked out the window and saw a man holding onto a column and shaking all over. She said Ferd, look at that man, maybe you can help him! I will see if I can and then I will go pick up the car and pick you up.

As I came up to him I could see he was in trouble “Can I help you? He said I am a paraplegic and I am having a seizure.. If I let go I will just fall on the sidewalk and hurt myself badly!” Can I pray for you?””PPPleasee.” So I reached over and touched him. When I did he jumped like I shocked him then he turned loose and just waked around normally and said “I am healed!

And he was and still is, Beverly and I eat with he and his wife ever so often.

So I started walking across the parking lot and I ask Jesus, “Why everything has been so great since I have been working for You?” Why Me! **And immediately I was in Heaven, I was standing**

beside Jesus and my Dad was talking about Me to Jesus! It was .so clear; my Dad had been talking to Jesus about me for years. Then I was back in the parking lot!

The real lesson in this is, when you die and go to Heaven, you are not just sitting around! You are watching after your Loved Ones! Thank You Jesus, for the Mom and Dad you gave me!

CHAPTER 10

Jesus Loves You More Than You Can Imagine

I will give you my testimony of an event that happened to me a year ago. How much does Jesus love You or Me? More than imaginable! Little things in our Live's are so important to Jesus!

This is Poppy, my friend, we fell asleep watching TV

Jesus Loves You More Than You Can Imagine

This is a testimony about my dog, Poppy... I have had many dogs through the years.. But never one quite like, Poppy. To say that he is my dog is like saying that he is my arm. Where I am he is! Right now he is lying in a chair next to me! Where I am he is...

About a year ago just at dark I let Poppy out in the back yard to go to the bathroom. He was gone too long so I opened the door and called him. He did not come....He was not there. I looked all over the neighborhood he was gone. I looked and called for three hours...**He was gone....**

I live on the river and we have boat traffic. I told Beverly someone stole Poppy, he would never leave me. It was now about 11:30 at night.. Beverly and I went out in the back yard and we prayed. I ask Jesus, wherever Poppy was to please show him the way home. As you know there are prayers and there are prayers from the heart. That is the way **I prayed for Poppy, from the heart!**

As Beverly and I finished praying, we looked over the back yard; it is about an acre of land and then the river. Beverly said look! **In the middle of the yard Poppy started materializing...** He was like a ghost... you could see right through him. As we watched he completely became solid, then he walked over to us. I have never seen a dog so wet before.

His body was dripping and water was coming out of his ears and nose. It took him about a minute before he really realized where he was. I think someone had stolen Poppy, picked him up in a boat and carried him away. At some point, Poppy had jumped out to come home and somehow drowned.

Poppy is right with me now and when he goes out at night I go with him. **Thank you Jesus, for bringing Poppy, home.** Jesus said, "Whatever you ask me, I will do!" And I ask Jesus for some of the smallest things, because I know that He loves me. There is no way that I can tell you,

**HOW GREAT JESUS IS,
AND HOW MUCH HE LOVES US!**

CHAPTER 11

My Cancer!

I have one more story that I wish I did not have to tell you

But it brings Glory to Jesus! CANCER! The Devil Tried To Take Me Out. Hospice Nurses says I have 24 hours left to live.

My walk through the Valley of Death!

Without Jesus, I would now be dead! On Friday February the 12th at 10 am I went to the bathroom to pee. It came out pure blood and shot black clots out the size of quarters... I went into the natural! I called a Doctor friend of mine in Ocala and asked what to do. He said, "Get over here to the Hospital quick

That is where I made my Big Mistake! If I had got on my knees right there in the Blood and Clots I could have called on Jesus and been healed instantly! But it scared me and it scared Beverly! We were on the way to the Hospital!

The Emergency Room gave me an MRI and found that I had a tumor in my Bladder! All Urologist, were off duty for the Valentine Day Holiday. That would be next Tuesday four days away, so they found a Hospital 100 hundred miles south, put me in an ambulance and sent me off!

So I get there about 10 at night. They would not let Beverly go with me, she had to go back home, she said that she would see me in the morning.

At the new Hospital they put me in a Prep Room getting me ready to go to my room. They took my clothes off and put a gown on me. Then a nurse came at me with a catheter, I later found out it was the largest one made! It was four catheters in one, it had an intake hose, an exit hose a balloon hose to hold it in and a large center hose that the Dr. would use in the operation.

She came at me with this and I said, it will not fit!!!! She said I will make it fit! With much pain she pushed it up into my bladder. I knew that she had split all of my plumbing!

I now started my journey through Hell! First I found out that all Urologist were gone until Tuesday, I could have stayed where I was! Next they started what they call irrigation, what I call pain! They force water into the intake hose that forces blood and clots out the exit hose. Only one problem, the clots stop up the exit hose, when that happens the pain starts because the intake hose is building up the pressure in my bladder. The pain keeps coming until it blows the clot out or I cannot stand the pain anymore and I push down on my bloated stomach and blow the clot pass the catheter and down my leg, messy. This goes on for four days around the clock. Beverly came and spent the day with me, but I told her to go home and not come back tomorrow. I knew that she could not stand to see me in this pain.

Four days pass irrigating. But I do not care as much anymore. They have been giving me shots of a drug and I am hallucinating and seeing all kinds of wild things in my mind! Tuesday comes and the Doctors come back to work. I see the Surgeon, for two minutes, he says to irrigate for another day and he will operate tomorrow. That was the last time I ever saw him, if in fact I had seen him!! Wednesday, I was operated on and put back in my room and you guessed it they were still irrigating. My life had gone through a week of pain. Two

days later the nurse came in and started getting me dressed, I was to be sent to a rehab hospital to learn how to walk again. But now I did not care! Since I had been there they had been filling me full of hallucinating drugs! Cowboys and Indians were running all over my walls!

No one has told me what I have yet! The nurse said that she would find out. She came back and said that I have Cancer of the bladder and that they got as much of the tumor out as possible and then she took me out to a waiting transport van to take me back to Ocala to the Rehab-Hospital.

I arrived at the Ocala Springs Hospital 1 ½ hours later and was checked in. My driver took me to my room on the second floor. As we got off the elevator there was about 12 people wandering the halls, they were like zombies in white gowns wandering the halls. I was coming off of the drugs I had not thought of Jesus in over a week. I had left my world and was with a bunch of Zombies

They all look older than me and I am going on 88! I got to my room and the bed was not turned down the driver helped me get on top of the bedspread and laid me down and left. Shortly a nurse came in and I told her that I had to go to the bathroom. She said it was right over there go! I told her I could not walk. I needed a bedpan I asked for a bed pan, she said no and left. I never saw her again.

My door was left open so I could hear everything in the hall. Then a Nurse called out "Everyone back in their rooms NOW! They were not fast enough so she started screaming at them. An old woman in a white gown started to come into my room. And a Nurse was right behind her, she grabbed the woman's arm and told her to get out of there. The woman said I want to meet him! The Nurse tugged at her and screamed get out of there. Then the woman started screaming. Another Nurse came running in and got behind her and started pushing her and the other nurse was pulling and the woman kept screaming as they went down the hall.

Patients screaming and Nurses screaming back at them went on all night long, I never went to sleep, I prayed. I prayed a prayer I never thought that I would pray! (I prayed to Jesus, please let the virus come into here and kill them all, so these old people could die and leave this Hell and go to Heaven with you!) Jesus, was coming back to me a little bit at a time.

At sunrise I called my son, Tracy and asked him to get me out of here, he said he was on his way! I did not think I could spend another night here, I was still sleeping on the bedspread and I had to find a place I could go to the bathroom.

My son picked me up and I was on the way home, windows down and wind blowing in my face, I was free again. At home I had a surprise waiting, Hospice had arrived before me. I had a hospital bed in the living room, wheel chairs, portable potty and all kinds of other things. Plus an Aid three days a week and a nurse once a week and I was home! But I still had my Supermen Catheter, when did it come out? About two weeks after I was home I found out!

My Aid was giving me a bath and she said that blood was leaking out around the catheter, not good....We needed to call the Nurse which we did and we got a Special Nurse out in the next hour. The Nurse looked at it and said not good, this has to come out now! So she took it out. It was easier going out than going in, thank you Jesus. When it came out blood and clots followed it. She had brought another catheter just like the one I had in and she starts to put it in and I say Whoa!

I say, "How long do we keep doing this?" She says for the rest of your life! I said, "I do not think so....I do not want it put in! She proceeds to tell me that my bladder has been damaged; your valves that told you when to pee and when to stop will not work anymore! It was ripped out in the Hospital. I say that I do not want it put in! She said you do not understand, in the next 24 hours your bladder will fill up and it will burst! Poison will then spread all over your body and you will die!

It was time to put on my big boy pants. I had been praying for Jesus to heal me...When will I believe it!!! I said, loudly, "JESUS WHERE ARE YOU!" Then a yellow and orange light flashes in my brain and Paul asks Jesus to remove the thorn in his flesh and Jesus says, (My Grace is Sufficient for You)

What is Grace? God's Power! Jesus Himself had taken me to Heaven and baptized me with His Spirit! I have God's Power in me! I quit asking for healing! There was a rumbling right down in my gut! It rolled up and I felt it come right out of my mouth! and I started louding commanding! I Commanded Cancer in Jesus name to be cast out of my body and die! I Commanded my bladder in Jesus name to be repaired and function properly! Thank you Jesus! Thank You God!

Then I told a shocked Nurse, "Take that catheter away, I do not need it! Then she left! 1 hour later I peed! Pink liquids and black clots came out! So my valve worked I could control my pee! 3 hours later I peed again, clear urine and no clots came out! For the last nine months each time I pee, clear water comes out and no clots! And I say, Thank You Jesus, each time! Yes Jesus had given me the power to heal myself!: Beverly just told me,

Hospice thought that I would die. So they left her enough Morphine to kill a horse. So if I got in pain they can take me out quickly without pain! But I told her to throw it away, I would not take it!

Every time a Nurse came they would ask if I was taking my Morphine, Beverly said no he will not take it! Hospice has now left I will not die for them! But I did bring some of them to Christ, thank you Jesus! They saw my prayer was answered!

I had lost 20 pounds in the Hospital and could not walk when I came out I have now gained my weight back and I can out walk my 65 year old son.

I knew that I could heal others, but when it came to me I always just asked Jesus to heal me. Jesus had been healing me for 33 years, it was time for me to grow up! I think that Paul

was doing the same thing. I never read in the Bible where Paul ever ask Jesus, for healing again.

Why did I get this? I think so I can better serve people with life threatening diseases. I understand the problem much clearer now. My son Ben thinks it was all the devil, trying to stop the app.... I had been going along for years saving a few people a week. Now all of a sudden the app is out, in 151 Countries and we are saving thousands! It got the devil's attention. But we are not stopping; the devil is under our feet now! We are moving God's Word! Thank you Jesus!

CHAPTER 12

Salvation! \How to be Saved and How to be Baptized!

Billy Graham's, prayer of Salvation. Please pray from your heart!

Dear Lord Jesus, I know that I am a sinner, and I ask for Your forgiveness. I turn from my sins and invite You to come into my heart and life. I want to trust and follow You as my Lord and Savior. In Jesus Name. Amen!

You can do this in Church or privately.

When you do this Jesus joins His Holy Spirit to your spirit! When God looks at you He sees His Son in you and that makes you perfect If anything ever happens to you, you go directly to Heaven!

In Christian theology, a baptism is a kind of rebirth; a washing away of original sin and a purification of the soul. According to the Bible, Jesus's baptism occurred sometime around 30 AD, when he was baptized in the River Jordan by John the Baptist).

If you have a Pastor he can do it for you. If not I will.

Walk out into a pond or stream, about waist deep. Say Pastor Ferd is with me and Jesus is with me and they Baptize me in

the name of the Father, The Son and The Holy Ghost! In the name of Jesus!

Hold your nose and dip your head under water, come up and say!

Thank you Father! Thank you Jesus! My sins are washed away!

So now you have done the same as Jesus did. If you had a friend or a wife or husband, you could do the same service for them, including the above prayer of Salvation! Congratulations! What you did was symbolic; it showed people that you were not ashamed of being a Christian!

Your brother in Christ, Pastor Ferd!

13 OUR APP

A Special Section about our APP

Jesus and I put our new Apps on Apple and Play Station. Quickly we now up in 151 Countries! The Apps tells the complete story of Salvation and Healing!

Plus they are free!

But Are They Working? Here Is The Answer!

2 Testimonies from our Apps

Karen's Testimony, USA the first person to use the App.

KAREN, AMEN, AMEN! Thank you Pastor Ferd for your prayers and encouragement. I downloaded your app on my iPhone and I have been listening to your audios on building up my faith stronger. I loved hearing your testimonies about how God healed, amazing!!! 🙏😊 It's a miracle to me, I am in aw healing, the messages are so wonderful and inspiring!

Karen's second letter a week later.....

Pastor Ferd!!!!!! Oh my Precious God!!! I just got back my STD test results this morning from Any Lab Corp and all tests are **NEGATIVE!!!!!!** I honestly am in tears and shock and amazement. Jesus healed me the very first day we prayed and I got my app, on July 30th. My symptoms & sores were extremely painful pastor and I felt such shame & embarrassment when I had my first herpes breakout. On Tues July 28 test confirmed I had Herpes. I felt hopeless, depressed and even thought I don't want to live!

On July 30 you wrote me, sent me your app and prayed for me that God would heal me. And He did! In just 2 days I received my miracle!!! That's right I said 2 DAYS!!! Tues it was **confirmed by a Dr** that I have it. That Thurs I took a new blood test. It came back negative. God had already healed and cleansed my blood by Thursday - the very day we prayed together He, purified me from this disease. All STD tests show **NEGATIVE!!** I am crying like a baby. If anyone out there in this world wants to be healed of an incurable disease STD they need to know my God can do it! He literally purified & cleansed my blood from herpes.

I believed He would do it **BEFORE** I saw it. You have to believe even when you don't see. (I got this from your app.) My physical symptoms did not disappear until 5-6 days "after" I did the blood test. Just because you don't see it, does not mean God has not healed you. God works miracles. People need to know God wants You Well....the devil wants you sick. Keep believing, praying and **THANKING** Him until your healing fully manifests. Believe, Believe, Believe

and keep confessing God's healing scriptures over your life. Thank you Pastor Ferd for helping me get TOTALLY healed! I love you and I love the Lord!!! 🙏💯❤️✝️ Karen

Jesus worked through the APP, I was just the messenger. The words of Jesus healed her! Romans 10:17 So then faith comes by hearing, and hearing by the word of God. (The App is all audio; you hear the words of God!) That is where the Power is!

A Testimony from South Africa!

Charmaine,

Dear Pastor Ferd,

Thank you so much for your app. I believe it's a gift to me from God because it has really shown me that I am forgiven, loved and healed in Jesus. You were healed by Jesus countless times and you've also healed people through Him. That made me see how alive He is and I feel His presence even more day by day.

I've been listening to the healing audios and I can't get enough of them. My eyes and heart have been opened to so much that I wasn't aware of. Such as the difference between believing and having faith! How to claim my healing and stand firm on God's word! How to also keep commanding the devil to leave me each time he tries to trick my mind!

I am so happy to finally know the gifts that I have and how to use them. Jesus Christ has healed me and I am so so grateful God bless you for everything you've done and are still doing for all His children. Thank you so much for the love, peace and joy you've made me find in Him. You are a true man of God!!! Charmaine

Charmaine, could not have blessed me more than calling me Man of God, Pastor Ferd

THE APPS ARE AVAILABLE ON 2JESUS.ORG

AND THEY ARE FREE!

BE BLESSED!

Walking With Jesus

It is ordinary people, maybe like me, who had never
found a home in Organized Religion !

And some who had but were Missing Something !
“How to Walk and Talk with Jesus!”

When I was 55, the Doctors said I had ten days to live and I
prayed to Jesus and He answered! He healed me and I thanked
Jesus and asked, how did you do that, and He told me! We have
been talking together ever since, I am now 88!

Here is a Testimony of Renee, the first peson to read
Walking With Jesus!

*You are Amazing Ferd and I am so lucky to have you in my life.
You are a reminder of Faith and how Beautifully it works in your life.
My heart is Smiling. Thank you for your love and time of Awakening
and Fulfilling us with the Spirit. It's so Renewing and Promising.
I am filled with the healing light right now. I can feel it. I will go
out into the world today and sopread that Love myself.
Thank you Pastor Ferd. I love you!! Renee*

*That testimony is my dream for you!
